## WHAT'S IT ALL ABOUT

- Teams will take on the 4km Gardner GP Circuit at Sydney Motorsport Park, competing to complete as many laps as possible in 12 hours while fundraising to support childhood cancer research
- Each rider is asked to raise the minimum fundraising target of \$1,000 per rider
- Food, drinks, music, mechanics, team garage space, cheer squad, presentations and finish line BBQ!
- Barista made coffee will be served all day
- Massage therapists will be on hand to keep your muscles limber or you can purchase a therapist for your team for the day
- Prizes for the highest fundraising team, highest fundraising individual and for the most laps ridden as a team and individual
